We confirm that we are the duly appointed auditors of the above-mentioned non-profit company since 27/05/2019.

We have performed agreed upon procedures which included reviews of turnover declarations and statutory submissions of the non-profit company for the year ended 28/02/2022 in determining the turnover/income levels. We have not performed an audit of the financial statements.

We hereby confirm that according to the financial information at our disposal of the above-mentioned non-profit company Employee Assistance Professionals Association of South Africa NPC for the period up to date reflected that the annual turnover/income is less than or equal to R10,000,000-00 (Ten Million Rand).

Although the above-mentioned is the current level of turnover/income and is closely related to the economic indicators, the turnover/income may be more or less in future. Consequently, this certificate does not serve as a guarantee that the income reflected will continue at the same levels.

The beneficial owner (director) were identified as 100% black owned.

Procedures performed to determine the ownership percentages held by black person/s: Inspected the disclosure document affecting the director as mentioned, as well as the most recent Certificate of Confirmation as issued by CIPC.

Yours Faithfully,

Mr. J. Coetzee CA (SA)
